

Kid's corner

By Evan Sassaman, Age 12

Hershey Area Playhouse is one of my favorite places in all of Hershey! I always get so excited when I get into a play, even if it's not a main role because you're just as involved and important as the main role. It's always so much fun getting to make friends and meeting new people to work with. If you have never been in a play before or if you haven't been in a play at Hershey Area Playhouse, I highly recommend it.

I have been in three plays. My first was called *Into the Woods Junior*; I was "Milky White" a cow that belonged to Jack from Jack in the Beanstalk. In another, I played a boy named "Luke" in the *The Homecoming* (which was my main role). In the third play, I was a character named "Hobie" in *The Best Christmas Pageant Ever!* And every single experience I've had at the Hershey Area Playhouse has been a great one.

To find out how you can be involved with the Hershey Area Play house go to HersheyAreaPlayhouse.com for audition dates and to find out the dates of great plays that you can come see!
