

## JOB DESCRIPTION

**HAIR DRESSER** – Responsible for the design and execution of hairstyle and color for cast members appearing on stage

Key duties include:

- Submit hair design and color samples for straight and character cast members appearing in a production, in consultation with director, costume designer and makeup artist
- Create designs as agreed upon while instructing cast members in the proper procedure for execution of the design
- Monitor and maintain hair designs and color throughout the run of the production
- Maintain an inventory of design tools, dryers, and related hairdressing materials for use in each production
- Collect, maintain and preserve hairpieces and/or wigs as property of Hershey Area Playhouse
- Supervise clean up and storage of all hair products
- Work within prescribed budget
- Train hairdressing volunteers in method and practice
