

JOB DESCRIPTION

LIGHT CREW – Follows the direction of the lighting designer to perform all functions necessary to hang, focus and gel lights

Key duties include:

- Have some knowledge of lighting instruments, or willingness to learn, and ability to focus and gel lights (working on ladders is required)
- Show up and work when scheduled
- Be available to replace lamps or refocus lights as needed
- If designated light board operator, run cue-to-cue technical rehearsals and run light board for each show
- Strike lighting equipment as necessary
